During the school years we have found many precious things; friendship, knowledge, and happiness. We worked, we learned, we loved and we lived. We were challenged by our teachers, by our parents; and we shall continue to be challenged as we leave our school to begin the new life that lies beyond. We shall remember the understanding and guidance given to us by our teachers. Although we shall be separated, our memories of L&M will linger on forever.

To our Patrons, who have so generously contributed the advertising, which has made possible this book, we give our sincere thanks.

Senior Class
